[Middle Atlantic Caps Successful CEDIA With Hall Of Fame Induction](#)
Brainstorm Media September 18th, 2009

Fairfield, NJ—Culminating a successful showing at CEDIA EXPO 2009, Middle Atlantic Products' AXS | System was inducted into the Product Hall of Fame at the CEDIA Manufacturer's Excellence Awards ba Saturday night.

"I started doing residential installations myself over 30 years ago and saw a lot of challenges in accessi to get to the cabling," noted President and Chief Engineer Bob Schluter. "I invented the AXS system problems, and designing from the installer's point of view has been the heart of our business ever since

"It is a great honor to be welcomed into the Product Hall of Fame, especially on CEDIA's 20th anniversa at the first CEDIA show, and the growth this industry has seen is remarkable. We are fortunate to work ; company" noted Schluter.

The induction, which establishes the AXS system as part of the permanent Hall of Fame exhibit at future a fitting conclusion to a busy and upbeat show marked by the continuing emergence of Exact Power, M products division.

Exact Power drew a large number of CEDIA attendees to their new dedicated exhibit adjacent to Middle attention on the new Rackmount PowerCore™ Isolation Transformer solution. The stand-alone PowerC several awards, including CE Pro's "Best."

Middle Atlantic's expanded exhibit and expert staff offered a wealth of solutions for the residential marke company's Pure Sine Wave technology UPS system, SignalSafe™ cables, the VRS Vertical Rackmoun attracting the attention of convention goers.
